INVITATION TO BID

The City of Union City is accepting sealed bids on the sale of a 2000 MAKO Breathing Air Compressor, Model # ACI05-E3. It has 405 hours. Compressor was bought new in February 2001.

Reason for selling: UCFD received a grant for the purchase a new MAKO compressor.

8.6 CFM charging rate, 5000 PSI maximum working pressure, driven by a 7.5hp 230v/60hz/3 phase ODP motor, complete with the following accessories.

Inlet filter.
Inter-coolers & after-cooler.
Inter-stage and final condensate separators.
Inter-stage and final safety relief valve.
Discharge check valve & pressure maintaining valve.
V-belt drive with guard.
Inter-stage & final air pressure gauges.
Hour meter.

Power on switch & emergency stop button.
Auto start/stop air pressure switch (set to shut off @ 4500 PSI)
High temperature shutdown switch.
Low oil level switch with light.
Automatic condensation drain system with muffler/reservoir.
Electric enclosure with magnetic starter & control transformer.
Enclosed cabinet with maintenance access panels.
Mk2C purification system (processes 31,500 scf).
Visual high CO/moisture indicator.
6 Bottle Cascade System

Bids must be received no later than April 30, 2010 at 2:00 p.m. Bids will be opened at that time at City Hall.

The City of Union City reserves the right to reject any and all bids and to accept the bid it feels is in the best interest of the City. **The City is also setting a minimum bid of \$3,500. MAKO compressor and cylinders are sold as is, where is.**

Bids packages should be marked "*Bid on Fire Equipment*". Bids should be addressed to:
